BOUTIQUE YACHTING AT ITS BEST

B&BYC and COVID-19

Dear Valued Clients, Yacht Owners, Yacht Crews, Industry Colleagues and Yachting Friends...

*In the light of the current unpredictable situation we find ourselves in, all of us at **B&BYC** are following the Local, State, and Federal guidelines by working from our respective homes, coming in the office solo in stages, or when absolutely necessary for a quick meeting, taking Social Distancing into consideration.*

We will continue to provide you with the most up-to-date and accurate information as seamlessly as before.

Our team is always available 24/7 by phone, text, or email to address any concerns or answer any questions.

We have always believed that Yachting the safest, securest way to travel in a clean, contained environment. When the restrictions are lifted, we sincerely hope the world gets back out there to enjoy beautiful destinations better accessed by private yacht!

*On behalf of the entire **B&BYC** Charter Team...*

Be Healthy and Be Safe!

All the best,
